for Weigh-In-Motion**

# International Conferences on Weigh-in-Motion

from ICWIM1 to ICWIM6

<http://iswimfree.fr>

## Introduction

The International Conference on Weigh-in-Motion has now a long history: held every 3 or 4 years, often in conjunction with another International Conference on related topics, the 6<sup>th</sup> edition is held in June 2012 in Dallas, TX.

This series of international conferences has brought about several important articles and has been the first stone for consortium of projects in collaboration with International Society for Weigh-in-Motion (WAVE, COST323, ...).
